

THE SAMSON PROJECT

SOFT LAUNCH

EQUINE-GUIDED TRAUMA COACHING

We're excited to share our new equine-guided trauma coaching program! This is a chance to meet the team, see how the horses help, and ask any questions.

Horses naturally respond to our emotions, helping us build awareness, improve communication, and stay present. During this soft launch, our facilitators will walk you through the process and what to expect.

If this is something that could help you or someone you know, we'd love to connect. Come see for yourself how horses can make a difference!

March 30th, 2025, 2-4pm

Jaks Stables | 2608 Rolesville Rd. Wendell, NC 27591

Appetizers will be provided
